# RATA 2025

- Date and location: 11-12 February 2025, at Tampere Hall, Tampere, Finland
- Rata 2025 is targeted to rail transport professionals, those interested in railways, and students.
- Two-day seminar event includes an opening seminar common to everyone, a large number of parallel themed seminars in Finnish and English, as well as a large exhibition and an evening gathering.
- Rata event has become a popular meeting and networking event for the entire rail industry, where 1000-1200 participants and 70 exhibitors are expected.
- Rata 2025 is organized by an event management agency Tapahtumantekijät Oy.

# Welcome as a main partner!

- In addition to exhibitor solutions, we offer a few customized partnerships for the event, through which the partner gets targeted brand visibility and hosting during networking and catering breaks.
- The partnerships are the **main partnerships of the event**, which guarantees an excellent brand visibility for the partner throughout the event.
- The partners will also have brand visibility on the event's social media channels, at the opening ceremony, as well as on the big screen of the exhibition space and on the screens of the seminar halls.
- A limited number of partnerships are available.
